ROTH Immuno-Oncology Corporate Access Day

New York City, NY | December 16, 2015

ROTH Capital Partners Senior Biotechnology Research Analysts; **Joe Pantginis, Ph.D., Elemer Piros, Ph.D., and Michael Higgins** invite you to join us for our Immuno-Oncology Corporate Access Day taking place on Wednesday, December 16, 2015 in New York City, New York.

This event will give investors the opportunity to meet with senior management of a select group of companies in the Immuno-Oncology sector, and attend a **keynote luncheon with Immuno-Oncology expert Joshua Brody, MD**, Director of the Lymphoma Immunotherapy Program at the Mount Sinai. Dr. Brody is a Damon Runyon Clinical Investigator and is currently running single- and multi-institution early phase clinical trials and hold INDs for these novel studies in addition to participation in industry sponsored studies focusing on checkpoint blockade antibodies, kinase inhibitors, and Toll Like Receptor agonists.

Meetings will be in a 1-on-1 / small group meeting format, consisting of 45-minute management-investor meetings to provide our institutional clients with extensive interaction with senior management to gain in-depth insights into each company.
