

JOIN TORCH CLUB SPRING 2021!

This Spring we will continue our programming to give our middle schoolers an opportunity to connect outside of school & become more active members of their communities in a fun, in-person & outdoor group setting. Torch Club is a National Boys & Girls Club program that strives to provide youth with the ability, confidence, and motivation to make meaningful change.

Each session we discuss one of the Torch Club Principles. The Fall 2020 program reviewed Leadership - Self-Leadership, Leadership with Others, Leadership in the Community. This Spring we plan to further the discussion by focusing on...

Trust, Communication, and Leadership: The Three Laws of Influence

Communication + Trust
=
A relationship that will last a lifetime.

Research and experience indicate that trust may be among the most essential elements in developing a true community. Developing trust is the most central duty for leaders if they are interested in positively influencing their community.

TRUST - Each of these four factors together develop trust...

- Consistency
- Compassion
- Communication
- Competency

COMMUNICATION - 5 skills for success...

- Listening
- Verbal & Nonverbal
- Straight talking
- Stress management & Emotion control
- Visual
